	Requirement: ensure that workers are competent (including the ability to identify hazards) on the basis of appropriate education, training or experience.			

The organisation's representative understands the above Non-conformances and agrees to determine the root cause(s) and implement appropriate corrections/corrective actions.

A1 Group 7366 Standards ISO 9001/14001/45001

Major Non Conformity Close Out

Corrective Actions to close Major Nonconformity.

Opening / Closing Meetings

Stuart Cawthorne – Transport Manager Clive Owen – Director Sandra King – Alcumus ISOQAR Lead Auditor

Major NC 2 - Loo Hire/Wet Waste Depot: Gas cage adjacent to Al Waste office building, close to entrance/exit. Corrective Action: Gas Cage has been moved behind the container by the fence. Root Cause Always been there and an oversight.

Actions to Prevent Reoccurrence Gas Cage now in a safe placed away from buildings. Water Container next door to it. **Evidence to support**

Closed Sandra King 30/11/23

Major NC 3 Loo Hire/Wet Waste Depot:

Generators which are filled with petrol are stored in storage sheds which also contain flammable liquids and various chemicals. Corrective Action The got rid of a number of generators and now have two small ones.

Root Cause: Busy Depot. Oversight.

Actions to Prevent Reoccurrence : Always have generators stored without petrol in them.

Evidence to support

2 small generators seen in a container at the front, no petrol in them, they have a fuel tank with a spillage kit next door, so can fill as they need them. Various chemicals and liquids are now stored in another container and seen in the pictures below.

Closed Sandra King 30/11/23

Major NC 4 - Hydraulic oil drums (sealed and open) not bunded.

Corrective Action: Bought some bunds for the chemicals. 110% of the largest container.

Root Cause; Busy Depot

Actions to Prevent Reoccurrence Ensure 110% of largest container can be taken by the bund. No overloading. Evidence to support

Bunded Chemicals see photo below.

The chemicals were seen to be sufficiently stored on the bunds which can take 800L. Tanks are $205L \times 3$ on one bund. Closed Sandra King 30/11/23

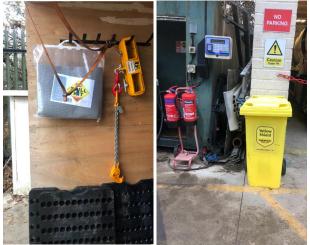

Major NC 5 - Loo Hire/Wet Waste Depot: No spill kits located adjacent to liquid storage areas.

Corrective Action Bought spillage kits and spillage dustbin located in suitable areas.

Root Cause: they had some but not enough.

Actions to Prevent Reoccurrence monitor usage and keep filled.

Evidence to support

Closed Sandra King 30/11/23

Major NC 6 - Loo Hire/Wet Waste Depot: Racking within storage shed Loo Hire/Wet Waste Depot has not been load tested. Corrective Action. New Racking bought to replace old racking.

Root Cause: Old racking needed replacing.

Actions to Prevent Reoccurrence : SWL 400Kg per level only light items stored. Evidence to support

Racking invoice no. 000078001. SKU: MR0MB from Racking Solutions.

Order no. #1000083554 Invoice date 01/08/23.

5 Bays Heavy Duty Racking Blue and Orange 4 levels, 1800m H x 1800mm W x 4500mm D

Safe Working Load SWL 400Kg per shelf.

Safe Working Load identified on the Racking 400kg per shelf, confirmed by the Racking Solutions. Photo evidence below. Other racks seen with 400Kg on them as well.

Closed Sandra King 30/11/23

Major NC 7 - Loo Hire/Wet Waste Depot No records for storage shed roller shutters being serviced/tested. Corrective Action . Arranged for AC Garage doors to come in on 19/07/23.

Root Cause : Records were not available at time of audit.

Actions to Prevent Reoccurrence, there is a contract in place with them now to prevent this happening again. Evidence to support

- Doors have been serviced by AC Garage Doors, 19/07/23 on invoice no. 14776. £2,050.00.
- Showed Door Fitted and complete. Repairs roller door. Result 6 no. PASSED.
- Racking inspections have been carried out by A1 Dean C and dates of recent checks seen from 04/09/23 to 27/11/23 this also includes checks on ladders. All seen to be satisfactory.

Closed Sandra King 30/11/23.

Major NC 9 - Loo Hire/Wet Waste Depot Walkways to separate vehicles/pedestrians are located/painted in the yard. **Corrective Action** painted walkways.

Root Cause: Due to weather conditions always needs repainting. The yard was recently concreted at the time of the audit. **Actions to Prevent Reoccurrence**: Monitor walkway condition on a monthly basis. Evidence to support

Closed Sandra King 30/11/23

Major NC 10 - Loo Hire/Wet Waste Depot All storage sheds should have fire exit/fire points signage located. Corrective Action Fire Exit signs purchased and installed. fire man came in and did an assessments of the depot, Root Cause: Too much stuff in the way and overloading of stores, they had some, some were covered. Actions to Prevent Reoccurrence: Ensure signs are clear and visible, fire extinguishers serviced annually. Evidence to support

Fire Risk Assessment 7/6/23 reviewed by Clive Owen

Serviced by R.E.S. Fire - 2/3/2023 purchased and serviced.

3 x Double Compact Red Stands

6lt Foam Extinguisher, 6kg Powder Extinguisher,

5 x Foam and 4 x Co2 Extinguisher ID Sign,

Certificate no 02EXT-5022 £622.40.

Clear fire exits with clear signage

Inside fire extinguishers

Outside extinguishers

Closed Sandra King 30/11/23

Major NC 11 - Loo Hire/Wet Waste Depot Lifting chains/hooks/straps not recorded or tested (LOLER). Corrective Action : bought some Chain slings and Dolly attachment and new ratchet straps. Root Cause : reviewed chains and straps and got rid of what they didn't need. Actions to Prevent Reoccurrence, ensure regular LOLER certificate in place.

Evidence to support

RES Report no. LES-06682 issued for the first time.

- LES Lifting Equipment Store Report of Thorough Examination of Lifting Equipment 7/6/23
- Dolly YD202208092, Attachment JH202203055 Drum moving kit, Chain Slings WS202208004
- Matthews Direct Imports Invoice to A1 Loo Hire Ltd. £222.00 on 27/July 2023 for the following.
 - 5 Ton 8m ratchet straps
 - 5Ton 10m Ratchet Straps.

Closed Sandra King 30/11/23

All the corrective actions were closed soon after the audit and a lot of records seen in July 2023.

Well done all the major non conformities have been addressed and closed.
